The Board of Education is authorized to amend the calendar should inclement weather or an emergency require that the school be closed on a scheduled school day. If emergency school closings occur, we will use the following days to compensate for school closings: Feb. 12, June 18, June 21. If additional days are required due to emergency closings, they will be added to the calendar after consultation with the Milford Teachers' Association and approval by the Board of Education.

The Chief School Administrator is allowed to schedule up to five (4-hour) student days for the purpose of released time for staff workshops and in-services (as needed) to prepare for school goals/vision, professional development and mission concepts.

BOARD APPROVED:

The Board of Education reserves the right to amend this calendar.
